

POLISH EFFECT VERSATILE RENOVATOR FOR CHROMES, METALS, BODYWORK, RIMS...

BIONOV*

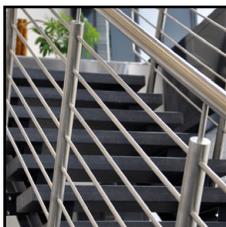

• DEGREASES AND CLEANS

ACTION

- Renovates
- Polishes
- Protects

Photo: non contractuelle

INNOVATIVE:

- Unique TRIPLE ACTION formula that offers long-lasting clean, shine and protection with a single application thanks to its essential oils and shine agents.
- *ENRICHED WITH BIOSURFACTANTS (natural surfactants manufactured by micro-organisms) to help clean surfaces.
- Leaves a long-lasting glossy appearance.
- Restores lustre to surfaces and paint that have become drab over time.
- Removes road grime and leaves a light anti-static film after use.
- Removes all traces of tar.

PROTECTS:

- No hazard warning icon. Environmentally-friendly, user-friendly.
- Leaves no traces.
- Free of isopropyl alcohol and salt.
- Packaging 100% recyclable.

ADVICE:

- ULTRA VERSATILE: Revives chrome, metals, anodised aluminium, stainless steel, polycarbonates, modern furniture and laminates...
- Ideal for restoring the original appearance to cars, motorcycles, boats, cycles, road tanks, wagons...
- Ideal for: garages, car, motorcycles and cycle dealerships, manufacturers and installers of windows and PVC frames, manufacturing...
- Thoroughly cleans plastics.
